A Harlem Man Charges that Or. McGonegal Killed his Son by Polson.

The Alleged Motive to Silence One Who Might Give Fatal Evidence Against Him.

Arthur Yeo, the Reputed Victim. Long an Employee of the Old Doctor.

His Father and Brother Tell of Previous Attempts to Get Rid of Him.

Miss Dale Sick, and McGonegal Profone, in Queens County Jail-Mrs. Webb's Body Buried.

Additional facts are coming to light conerrning the career of old Dr. Henry G. McGonegai, who with Dr. Marion A. Dale, is locked up in the Long Island City jail on the charge of causing the death of Mrs. Louise. Tennessee, offered and called up in the Webb, at Ravenswood, since his conviction floure to-day a joint resolution that in 1890 as the slayer of pretty Annie Good-

or whose neath Dr. McGonigal is under arrest.
An Evening World reporter learned toply the uptown customers, and wee beside this motion with one to adjourn to that driver who had miscalculated and found and found and found and found are the control of th acted as Heutenant, and moved an adjournpatronage to Dr. Dale, who, it is learned, was

FRANK WEDS.

The dead woman's hesband.

The reporter also discovered that the chil doctor, as soon as he was released on bad, continued his practice, although he was a convicted criminal, and that in more than one case he accompanied Dr. Dale on her professional visits, and not only gave counsel, but actually took charge of and treated her patients.

The persons from whom this information was obtained also make charges of a most sational nature, which, if true, stamp the old doctor as a deliberate, heartless villain, who would hestiate at nothing to cover up his tracks, while they also place Dr. Dale in no enviable light as his pupil and the successor to his professional business.

Arthur James Ven, an electrician, aged twenty-five, died at his home, 2181 Eighth avenue, where he also had a shop, June 25 last. The death certificate, upon which the burial permit was grantel, was signed by Dr. Marion A. who assigned the cause of death as due to Yeo habitually touching electric wires to his tongue while testing wires in the pursuit of his avocation as an electrician.

CAUSED NEWSPAPER COMMEST. This very peculiar cause of death occastoned no little comment by newspapers and physicians at the time, but the certificate was passed by the health authorities and "A WINDOW IN THRUMS," &c., What THE WORLD Yes was burled in St. Michael's Cemetery, Astoria, the place where Dr. McGonegal and to convey advertisements to that Yea's death was regular and from natural, although peculiar, causes.
